## *“Mucking in”*

---

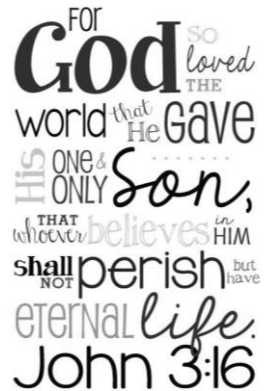

A conversation that took place over 20 years ago still comes to mind at this time of the year.

When I was a Curate in Morecambe a counter assistant at the town centre Post Office asked me whether “I was a modern Vicar?”. When I inquired as to the meaning of her question, she replied, “You know like the one in EastEnders – he mucks in with them!”

At Christmas time, we celebrate the birth of the Lord Jesus Christ who came to this earth to be our Saviour. He lived amongst the people of his community, within the context of a loving family. In the words that the lady used in that conversation with me “he mucked in with them”. He led a group of like-minded individuals who were to witness him being arrested and put to death on a cross. Three days later he was raised from the dead in triumph.

As John’s gospel states, “God so loved the world that He sent his only begotten Son, so that everyone who believes in him may not perish but have eternal life.”

Few events change a person’s life more than the birth of a child. Parents in every corner of the world can testify to the arrival of a new born baby bringing a whole new set of life’s experiences. The birth of Jesus not only prompted a change in the life of his earthly parents, but of the whole world.

FOR  
God so loved THE  
world that He GAVE  
HIS ONE & ONLY Son,  
THAT whosoever believes in HIM  
shall NOT perish but have  
ETERNAL life.  
John 3:16

In the words of the famous hymn, “Hark! the herald angels sing, Glory to the new-born King! Peace on earth, and mercy mild, God and sinners reconciled.”

Over the next two months, we prepare for the arrival of Jesus during Advent; we celebrate His birth at Christmas and recall His marvellous works in the season of Epiphany. As we reflect on that birth, we marvel at the wonder of the Son of God becoming human ("mucking in with us!") to show us how to live in accordance with God's will. He is our Lord and Saviour whose presence in our lives today is as relevant now as it was 2,000 years ago.

With best wishes for a very happy Christmas & a blessed and peaceful 2020.

Dave

## **A PRAYER FOR OUR LEADERS**

---

*This is a prayer for Vicar Dave Thompson, Retired Priests, Readers, Authorised Lay Ministers, Wardens & Sidespersons.*

Dear Lord, as we approach another year since the birth of Jesus, please look after and take care of our leaders. Bless them all for what they do for us through the year.

As we approach the coming of Christmas, they will all take on extra duties. Lord we ask you to keep them safe, warm and healthy through the coming months of dark nights, rain, wind, snow and sunny days.

Lord bless them all and a big thank you to all, from both our congregations. Amen

*Barry Evans*

The season of Advent marks the beginning of the Church's year and is part of its preparation for Christmas. The name Advent originates from the Latin word *adventus*, which means "arrival" or "coming").

It is used as a time of expectancy, waiting and preparation for both the celebration of the Nativity of Jesus at Christmas and the return of Jesus at the Second Coming.

The four Sundays of the season act as a countdown to the great celebration of our Lord's birth and is an important time in our spiritual lives.

The colour of the season is purple which reflects the solemnity of this time in the Church Year.

Traditionally churches use an Advent wreath to symbolize the passage of the season. A candle is lit each week as the liturgy reflects the coming of Jesus as a child and in time as Lord and Judge. On Christmas Day, the central candle - coloured white – is lit to signal the fulfilment of Advent and the arrival of the Son of God.

Advent Study Groups will be taking place throughout the season, beginning the week prior to Advent Sunday on Monday 25 November. We will meet on subsequent Mondays until 16 December. These will be held at 150 Walmersley Road, beginning at 7.30pm.

Another group will meet in Christ Church hall on Thursdays beginning at 2.00pm on 28 November until 19 December.

Why not come along and seek to deepen your faith during this special time? You would be most welcome.

### **Advent Prayer**

O Lord our God, make us watchful and keep us faithful  
as we await the coming of your Son our Lord;  
that, when he shall appear, he may not find us sleeping in sin  
but active in his service and joyful in his praise;  
through Jesus Christ our Lord.

We live in a time of great opportunity. Every parish and deanery is putting Mission Action Plans into action, whilst God is calling candidates for ordination in greater numbers than for many years.

The diocesan mission goals of **growing, nurturing and serving** direct the strategic plan for the coming 10 years. We are aware too of the huge challenge to share the love of God in word and deed, not least in those parts of the diocese where we see fewer than one per cent of the population attends church, or where most regular churchgoers are of retirement age or older.

We recognise that to achieve this exciting vision for the future, we need to change the way we organise ourselves as the diocese. A significant proposal is a consolidation of the current 20 deaneries into seven deaneries with a move towards a new full-time Area Dean role, providing leadership for change and development, plus flexible parish cover.

For us, if this proposal is accepted the deaneries of Bury, Rossendale and Radcliffe and Prestwich will become one. Consultations are being carried out across the diocese and online. Your opinion counts! Go to <https://www.surveymonkey.com/r/S9L9563> to give feedback online. If you are able please come to the evening planned for our area, with an opportunity to ask questions.

Have you seen the sculpture in St Ann's Square, Manchester by Christian artist Timothy P. Schmalz? If not, do look next time you are in Manchester.

There are several copies around the world, including one in Vatican City. It depicts Jesus as a homeless person, sleeping on a park bench. His face and hands are obscured, hidden under a blanket, but crucifixion wounds on his feet reveal his identity.

Recently Worldwide President of Mothers' Union, Sheran Harper, from Guyana, visited the Province of York. On her final day, in Manchester, hosted by zonal trustee Cath Hilton, she saw this amazing sculpture and this was her response, posted on facebook:

"Just a few hours ago I stood before homeless Jesus in Manchester for the first time. I was moved to tears. It was a moment I would never forget... he was so alive ... the holes in his feet, his head in the folds - I could see one eye, he was sleeping peacefully on that cold hard bench ...

I thought about this winter ... and all who care for the homeless and vulnerable in York Province. I spent this week in the prison; with refugees; with those who had been trafficked; visiting the homeless and listening to the faithful who care for them. I prayed that God would shower his blessings on them... May they feel his presence always. Amen"

## From the Vicarage

\* 2020 sees both the 10<sup>th</sup> anniversary of the creation of the United Benefice of Walmersley Road and 250 years since the parish of St.John was formed.

The main event at St.John with St.Mark's will be held over the weekend of June 6/7 with our Summer Fair and a Celebration Service to be attended by the Bishop of Manchester. On Sunday evening we plan to hold a short service on the site of the old church at The Rock.

There will be a service to mark a decade of the Benefice at 10.30am at Christ Church on Sunday 25 October led by the Bishop of Bolton.

\* Christ Church are pleased to be hosting the annual carol service for the Pennine Region of the Lancashire Federation of Young Farmers Clubs. This is to take place on Tuesday 10 December beginning at 8.00pm. All are welcome to attend what should be a very special occasion.

\* A service of Holy Communion with hymns takes place at Burrswood House on the last Thursday of each month at 2.00pm. The residents and staff are always keen for people to join them at this service. Everyone is welcome to attend. An ecumenical group also visits Burrswood House and Limefield Court on a monthly basis for a short service. Once again anyone is welcome to join us. Please have a word with me for the exact dates.

\* Please let a member of the ministry team know if anyone is ill and requires a home or hospital visit. At the heart of our ministry to the parish is pastoral care. This is not the exclusive concern of the clergy but part of each Christian's duty to love one another.

\* Any enquiries about baptisms or weddings / marriage banns etc should be made at the Parish Office at St.John with St.Mark's Hall any Wednesday evening between 6.30-7.00.

- \* The Ministry Team consisting of all the Clergy, Licensed Readers and our Authorised Lay Ministers meet every month – usually on the second Monday evening. If you have an issue that you would like us to discuss, please contact one of the team.
- \* Porch Boxes are always in need of food items to meet their current demand. A box is available at the back of both churches. Items are also sometimes donated to the Booth Centre in Manchester. The Centre was previously based at Manchester Cathedral and aims to bring about positive change in the lives of people who are experiencing homelessness or at risk of homelessness - to help them plan for and realise a better future. Thanks to those who regularly support these worthy causes.
- \* The Men of the Benefice are holding their end of year meal on the evening of Friday 6 December at La Dolce Vita. The first meeting of the New Year will take place on Monday 27 January at The Towler from 8pm.
- \* Regular attenders to church are encouraged to join our planned giving scheme. If you would like to do so or would like some further information, please speak to one of the Treasurers or Wardens.
- \* If you would like to donate towards the cost of the flowers in church, perhaps in memory of a loved one or in celebration of a special event, please speak to Betty Winterbottom (Christ Church) or Rosemarie Ashworth (St.John with St.Mark).
- \* Both of our Church Halls are available for a whole range of activities for use by church and community groups. Please however check with the bookings officers (June Banks for St.John with St.Mark and Jennifer Wood for Christ Church) if the building is otherwise occupied before anything is arranged.
- \* Material for the parish magazine should be given in by the 14th day of the previous month. Articles may be sent via email to [wrub@live.co.uk](mailto:wrub@live.co.uk)

## ***NOTES FROM OUR COUNCILS (2)***

### **St. John with St. Mark PCC meeting of 14th November 2019**

Four people involved in the Pantomime need to go through CRB checks.

A list of social dates for 2020 has now been put together and these will be shared with Christ Church in due course to avoid clashes.

People were reminded about the Easyfundraising scheme, a site which provides a platform to various on-line shopping sites and gives the Church a percentage of all sales.

Several visitors to Church have remarked on how impressive the new flex-step lift access between Church and hall is.

Plans are continuing for the 250th Anniversary celebrations next year. It is now thought that Sunday evening will be more suited for a Service on the old site on The Rock as there will be less commercial activity.

It has been decided that a smaller group be put together to discuss the 'Church for a different world' suggestions resulting from the Cafè Church service. This will be organised at a later date.

The wardens have visited a couple of local Churches to inspect their sound systems to see if they are ideal for us and will go to Bolton Parish Church on 15th November to look at their system, which was installed by a firm who have provided one of our quotes. The quotes we received in July will obviously only be valid for a short time.

It was advised that the Coffee Morning on 28th September raised £241.

It was agreed in principle to once again donate 10% of our previous years planned giving to charities and a discussion took place as to which ones we would support. There will be 10 charities supported across the following categories: Overseas Mission, Overseas Relief & Development, UK Mission & UK Secular. Each will receive £336. The loose collection from the Christmas services this year will be donated to the local Bed for a Night Scheme.

The Vicar announced that there will be a further Deanery Synod meeting to discuss the Deanery synod on Wednesday 8th January at All Saints' Elton. Victoria Cook will be taking on the vacant role of governor at our day school. Victoria is a member of the Seedfield Methodist congregation. A student ordinand will be joining us from the New Year. Gary of St. Phillip's, Bolton will be with us until around Easter time. A 10 year Benefice anniversary joint celebration service with the Bishop of Bolton

will be at Christ Church on Sunday 25th October 2020 at 10.30am.

A more detailed Mission Action Plan has been produced following on from our joint PCC meeting with Christ Church on 30th October. This included more plans around actions including: encouraging more social activities across the Benefice, more vocations to the lay and ordained ministries, more ecumenical activity & improving effectiveness with communications and social media.

The health & safety officer pointed out that the stage curtains were in need of replacement and also reminded hall users to ensure that the emergency gate access is kept unlocked whilst groups are in the building.

Future PCC dates – Thursday 23rd January & Thursday 5th March to discuss draft accounts and PCC report.

## **250th Anniversary Celebrations**

As part of our celebrations to mark the 250th Anniversary of the Parish of St. John Bury it is hoped that we can put together a display of old photographs or other memorabilia; from this building here on Sunny Avenue, the previous building on The Rock or any other Church events which may have taken place away from the buildings.

Please have a look around to see if you have anything we may be able to use and please speak to David Robinson or Margaret Duckworth at St. John with St. Mark or alternatively the Vicar or wardens. We may be able to take copies if you prefer. Thank You

St John 's  
Chapel-of-Ease  
on The Rock

## ***Copper Collections***

---

A massive thanks to members of our congregations who give so generously to our children's copper collections in both our churches.

In the past 12 months donations have been made to Boomerang, Porch Boxes, Tearfund, Wood Street Mission, Red Box, Mission to Seafarers, and to local charities supporting the homeless in our town.

We try to support mainly local charities, where a donation of £50 is much appreciated. It is certainly true that a little can make a huge difference, so THANK YOU.

Please keep saving your loose change for our children to collect.

## ***1 Corinthians 13 for Christmas***

---

If I decorate my house with beautiful twinkling lights and shiny balls, but do not show love to my family, I'm just another decorator.

If I bake dozens of mince pies and roast the perfect turkey, but have no love for my guests, I'm just another cook.

If I work at the soup kitchen, and give all that I have to charity, but do not have compassion for those in need, I am just another social service.

If I wrap, decorate and attend a myriad of parties, but don't focus on Christ, I have missed the point.

Love stops the cooking to hug the child.

Love doesn't envy another's perfectly co-ordinated Christmas decor.

Love puts the present shopping on hold to run the elderly neighbour to the doctor.

Love is kind though harassed and tired.

Love bears all things, even irritating relatives. It believes all things, including a teenager's potential for development. It hopes all things and endures all things, even a spouse who is constantly depressed about job prospects.

Love never fails other people.

Food gets eaten, computer games will crash and even cashmere jumpers wear out, but the gift of love will endure forever.

## Christmas Greetings

May you have the gift of faith,  
the blessing of hope,  
and the peace of his love  
this Christmas and always,

### **Advent**

The Advent journey –  
Hope becomes peace.  
Peace becomes joy.  
Joy becomes love.  
Love becomes Christ.

In this season of waiting,  
    breathe in life.  
    Life of the One  
    who created all things,  
    whose image we bear.  
In this season of waiting,  
    breathe in love.  
    Love of the One  
    who gave a precious Son  
    to live as one of us.  
In this season of waiting,  
    breathe in peace.  
    Peace of the One  
    who calmed the sea  
and quiets the tumult of our souls.  
In this season of waiting  
    breathe in hope.  
    Hope that the One  
    for whom we wait  
is indeed making all things whole.

## Christmas

God, today we choose to "Hark",  
to listen to your voice,  
to be still and know that you are God with us.  
Hark! The herald angels sing,  
Glory to the newborn King.

God we hear your promise of "peace on earth",  
but we know that the nations have not yet embraced your peace.  
God we pray for Iraq, Syria, Pakistan, Afghanistan,  
and all other places where there is war, anger and broken lives.  
Hark! The herald angels sing,  
Glory to the newborn King.

God we hear about the "incarnate Deity",  
that you were pleased to dwell with us in flesh and blood.  
May we know you as Emmanuel, God with us,  
and may we share your presence with those around us.  
Hark! The herald angels sing,  
Glory to the newborn King.

God we hear that Jesus was "born that we no more may die."  
Be with those who are grieving at this time.  
Help us to embrace your promise of second birth and resurrection,  
and live it out even here on earth.  
Hark! The herald angels sing,  
Glory to the newborn King.

*Sam Hargreaves*

## New Year

### *God Bless You*

Is there ought that I can wish you, that has not been wished before?  
Shall I wish that health and gladness be increasing more and more?  
Or perhaps that you will be happy and all sadness stand apart?  
No, I'll simply wish "God Bless You", and I wish it from my heart.

*Written in 1949 by Annie Blake, a farmer in Cashel, Ireland*

Loving Father, our faith is in you:  
we trust in your plans for a future  
where we will thrive in showing love  
to those we seek to serve.

Saviour Christ, our faith is in you:  
we trust in your plan for a future  
where we will bear eternal fruit  
as we follow your commands.

Holy Spirit, our faith is in you:  
we trust in your plan for a future  
where we will be filled with power  
and guided in every truth.

We place our future in your hands.  
May we continue to enrich the lives  
of those around us  
for future generations.

## Epiphany

### *The Journey of the Magi revisited*

So we got there, - eventually,  
Delayed by issues at the border crossings,  
strip searches, sniffer dogs, suspicious officials  
flanked by hard-eyed young men totting guns.  
They questioned us: Were we smugglers?  
Might the costly spices we'd brought as gifts be banned substances?  
And what of the gold?

Was it to finance arms smuggling, insurrection or business bribes?  
Did we stick by this cock and bull story about following a star?  
Why didn't we use satnavs?

Why this obsession with astrology?  
"A star portending the birth of a Jewish Ruler!"  
That alone nearly got us arrested.

But they let us go, their racial prejudices trumped by their conviction  
that we were harmless crazies bent on a wild goose chase.  
Finally, we reached journey's end, despite  
that last unnerving interview with Herod,  
honey tongued, but with ill disguised murder seething in his eyes.

Was it all worth it to discover by starlight  
a poor couple's boy child in a tiny shack?  
Well, let me say this: On our first entering in  
we glimpsed majesty in his piercing gaze,  
an awesome moment compelling worship.  
He needed no court flunkies, no smooth talking press secretary,  
no trumpets, hype, or cameras.  
A human child, he manifested a wisdom welling from the depths of the eternal  
silence.  
Here, we sensed, we had touched divinity;  
Now for us life would never be the same.  
Home we went another way and found another life.

## **The Baptism of Christ**

In the wilderness, John preached, and everybody wondered  
Was he the Christ, come to show us all God's love?

I'm not him, John explained, he's mightier than me  
Do up his sandals? It's a job that I'm not worthy of.

I baptise with water. But he will use God's Holy Spirit.  
And drench you with that fire from above.

Then Jesus came along and John cried, "Look, he's here!  
God's chosen, the one I've spoken of!"

Then Jesus was baptised, and he bowed his head and prayed.  
And God's Spirit came upon him like a dove.

Then a voice called out from heaven, "I am well pleased with you.  
My son, the special one I love."

## **The Week of Prayer for Christian Unity**

Lord Jesus, who prayed that we might all be one,  
we pray to you for the unity of Christians,  
according to your will,  
according to your means.  
May your Spirit enable us  
to experience the suffering caused by division,  
to see our sin and to hope beyond all hope.  
Amen.

*Prayer by the Chemin Neuf Community*

## ***Men of the Benefice***

---

Our latest meeting of Men of the Benefice was on Monday 28th October at The Towler. Our theme this time was British sitcoms and a discussion around some of the comedies that were listed in a recent survey of top 40 British sitcoms of all time. We discussed our favourites, and those we didn't like, and also recalled some of our lasting memories of them. There was also a brief quick fire quiz asking us to name catchphrases and characters. We discovered that we all had different tastes and we also now know what would be the Vicar's specialised subject on Mastermind.....

We will next meet on Friday 6th December for an end of year meal at La Dolce Vita Italian on The Rock at 7.30pm and a list will be available at the back of both Churches for this.

Our first meeting of 2020 will again be at The Towler on Monday 27th January at 8.00pm. Normally at this meeting we would put together a schedule of events for the year so if you have any ideas then please come along. New members welcome.

David Robinson

## ***SATURDAY WALKING GROUP***

---

Our scheduled walk on 2nd November was meant to be from Owd Betts to Waugh's Well above the Edenfield Moors. However bad weather both before and on the day meant a decision was taken the day before to cancel. We have though planned a walk on Saturday 7th December, which includes areas around

Bacup, Waterfoot & Rawtenstall. The walk includes two recently restored railway tunnels, now with lighting. It is expected that we may even find an establishment somewhere for lunch. Please meet at either St. John with St. Mark Church Hall at 9.00am or Christ Church Lych Gate at 9.15am and transport will be organised accordingly.

Best foot forward, David Robinson

## ***Sunday @ Seven***

---

We meet for our regular Sunday evening informal worship.

Do come and join us – it lasts about an hour  
tea/coffee + cake/biscuits.

You will be most welcome!

On Wednesday 13th November our Open Group meeting was led by Reverend Paul Sanderson who broke from tradition and gave us an illustrated talk entitled 'Two Go Mad in Scotland'. This was an excursion he had taken with friend Peter the Summer before last and was a trip across Scotland on train, bus and also ferry, made possible thanks to a ticket that allowed travel on all methods of transport. The journey across Scotland actually began in Carlisle before heading across the border.

Paul's talk was made up of some great photographs and amusing anecdotes of some of the occurrences. There were a couple of silent video clips of the train journey, which, in the absence of sound leads for the projector we were asked to imagine watching with dramatic music in the background.

Some of the situations included an encounter with a gentleman at a railway station who almost managed to consume the liquid contents of the buffet trolley during a long delay there and a bus shelter which served as Paul and Peter's accommodation for several hours following another long delay to get to Inverness. The trip was well planned with light luggage and B & B's booked at the end of each day, albeit the stays in which were sometimes very brief due to long days and not returning until 11.00pm.

Some of the landmarks featured included the fantastic colourful houses in Portree Bay and also a pie shop where Paul and Peter purchased a steak and black pudding pie, which looked filled to the brim. (Steak and haggis was available if preferred). There was also a feature on IBM station, which had served the computer manufacturing plant in Greenock. The station is now disused, following the closure of the plant, which remains derelict. Some of the more stunning images were of the architecture of Wemyss Bay railway station, regarded as one of Britain's best railway stations.

This was an entertaining and amusing talk and it's quite apparent that Paul and Peter had a great time, saw some great sights and fared well with the weather also. Thanks to Paul for sharing this with us.

### ***Churches Together in Bury***

---

This group represent most of the Christian Churches in Bury, regardless of denomination, and seeks to make known the love of God to the people of Bury.

Events this year included the Good Friday Walk of Witness, Party in the Park and Carol Singing at the Market. The group also supports the Christians Against Poverty initiative in the borough and also the group from Open the Book which goes into schools enacting bible stories.

Currently our Chair is David Andrew but it has to be said that as a benefice we are not well represented, either at the meetings held 6 times a year or at many of the activities. So why not come along to Bury URC, on Parsons Lane, on Monday 20 January for the group's AGM? You will be very welcome (No commitment!!) and look out in the magazine for details of events.

Bury Deanery leader Julie Lancaster spoke to us about Nightstop. She and her husband offer a room in their house for homeless young people to spend usually just one night. She brought with her Ryan, a young man who has stayed with them. He gave a moving account of how he became homeless and how, thanks to people like Julie, he has been able to turn his life around.

Revd Dave celebrated Holy Communion at our November meeting and this was followed by a homemade soup and parkin supper enjoyed by all.

In December we are holding an Advent reflection and our second meeting will be our Christmas meal at the Red Hall.

On Sunday 1st December there will be an Advent Service hosted by Bury Deanery. Everyone is welcome at All Saints' Church at 2pm. The Diocesan Advent Service starts at 1.30pm on Thursday 4th December at St Ann, Manchester.

There will be no meeting on the first Wednesday in January (New Year's Day) and on the 15th we start our new year programme with Holy Communion. It would be good to see some new faces.

The branch hopes everyone has an enjoyable Christmas and a happy and peaceful 2020.

Bob Taylor,  
Branch Leader

A THOUGHT FROM ST AUGUSTINE OF HIPPO, WITH RELEVANCE AT THIS SEASON OF THE YEAR:

"GOD IS ALWAYS TRYING TO GIVE GOOD THINGS TO US, BUT OUR HANDS ARE TOO FULL TO RECEIVE THEM."

## ***Little Voice***

---

Our continued response to the appeal for used stamps, both old and new, British and foreign, has been magnificent!

After collecting and sorting all the stamps which have been kindly placed in the tin at the back of church, they are sent off to the organiser and chief sorter.

Little Voice aids and provides a home for street children in Ethiopia, by selling stamps to collectors.

Please keep collecting and removing any stamps from your post (leaving about one cm. or half an inch of envelope around them) especially at this Christmas time, and search out any old stamps you may have tucked away in a drawer or even old stamp albums.

Many thanks again,

David Peters

## **Looking Ahead.....**

---

We may only just have arrived at Advent, however Betty Roe from St. John with St. Mark found an old newspaper cutting recently, which she wanted to share with us during this Christmas & Epiphany season magazine.

The article reported on the late amateur weather forecaster Mr William Foggitt and his Jasmine Tree outside his front door in Thirsk, Yorkshire, which appeared to stop blooming if a sign of snow and ice was on the way. However one of Mr Foggitt's favourite sayings was based on the traditional halfway mark of winter, which happens to be Candlemas Day, 2nd February. "If Candlemas Day is cold & clear, there will be two winters in that year. But if Candlemas Day is mild or brings rain, winter's gone and won't come again".

Now we will have to wait until we have put away all the decorations and nativities for another year before we see how accurate a pointer to the weather pattern that is, but it may be worth keeping a mental note to remember to see what the weather is doing when you attend Church on Sunday 2nd February.
